# WINDOWS & DOORS

## Quality where it counts

Unparalleled performance, finish and sustainability credentials make Accoya® the ideal material for windows and doors.

- › **Fewer call backs**  
Accoya's superior stability means easier installation, saving you time, money and leaving you more time to grow your business
- › **More efficient handling and processing**  
Accoya is lighter weight than hardwood and comes in fixed widths and set lengths based on common joinery sizes. Faster processing and less waste
- › **Excellent machinability**  
Accoya's consistency and low level of grain raising makes it easy to work with and smoother to install and coat
- › **Ideal for coating**  
Accoya allows you to offer a wide choice of coatings for different looks as well as enhanced performance
- › **Sustainably sourced**  
Offer your customers the truly sustainable choice with a timber that's plantation grown, non toxic and provides significantly better insulation values than hardwood. Not to mention recognition from FSC and Cradle to Cradle
