

A sustainable revolution

MARINE USE FOR OYSTER FARMING

Quality where it counts

Unparalleled performance and sustainability credentials make Accoya® the ideal material for Oyster farms across Australia.

- › **Tried and Tested**
Accoya seed trays and posts have been used in Australian oyster farms since 2015 with success.
- › **10 year warranty against ocean exposure**
Accoya brings unprecedented reliability. Accoya will not visibly swell, shrink or distort in this application and we are backing this up with a warranty.
- › **Excellent reputation**
Accoya has been used globally in volume for many applications since 2007.
- › **Non Toxic**
Safe for people, oysters and the environment.
- › **Sustainably sourced**
Accoya comes from fast-growing sustainable forests, helping to meet global environmental challenges. FSC and Cradle to Cradle certified.
