Re: Certified Log Supply

Dear Shawn

I wish to confirm that all sawlogs supplied to your Smithton sawmill by Forestry Tasmania are produced from land contained within Forestry Tasmania's designated Defined Forest Areas as certified under the Australian Forestry Standard and included in the Three Year Wood Production Plan (2011-2013).

Forestry Tasmania is certified to the Australian Forestry Standard (AS4708:2007) and are audited by NCS International Pty Ltd, certificate number 14647.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Craig Harington".
