BRITTON TIMBERS

The Exotic Hardwood Specialists

Architects, specifiers, joiners, cabinet makers and flooring specialists looking to inject a new sense of style and beauty into their projects, need look no further than Britton Timbers for Australia's widest range of exotic hardwoods.

With a huge stock of more than fifty species of specialty timbers sourced from around the world, Britton Timbers partners with building and design professionals to enhance projects across the spectrum from residential to large-scale commercial fit-outs.

Britton Timbers has a national distribution history dating back more than one hundred years and can quickly supply the finest cabinet, furniture, joinery and flooring timbers Australia-wide from its Sydney, Brisbane and Melbourne depots. Sought-after Tasmanian timbers from Britton's sawmill in Smithton Tasmania, are also in stock.

Environmental sustainability is a priority for Britton Timbers and our suppliers. Where possible, timbers are sourced from certified forests to ensure consistent, reliable supply in compliance with environmental guidelines.

For more information please contact Britton Timbers (*see back cover*) or visit the website.
