- 2.3 If a Customer has a Commercial Credit Contract then the General Credit Terms will also apply.
- 2.4 For the avoidance of doubt, for any Orders for Products listed in Schedule A, the Specifications will also form part of the Contract as they apply to the relevant Products (noting many products come with a guarantee or warranty from the manufacturer).
- 2.5 Upon receipt of an Order, Britton Timbers may (in its absolute discretion) issue an invoice for the Deposit in which case, Britton Timbers is under no obligation to procure the Order until payment of the full amount of the Deposit has been received by Britton Timbers;
- 2.6 If either party cancels an Order at any time before dispatch of the Products for Delivery, and the Customer has paid the Deposit, then:
 - (a) Britton Timbers may keep an amount equal to any costs or expenses reasonably incurred by it before the Order was cancelled; and
 - (b) must refund the balance of the Deposit to the Customer.
- 2.7 If the Customer was not required to pay a Deposit, or failed to pay any part of a Deposit then the Customer must pay Britton Timbers the reasonable costs or expenses incurred by Britton Timbers before the Order was cancelled.
- 2.8 If the Customer fails to pay any amount owing under clause 2.7 then Britton Timbers may recover that amount as a debt.

- 4.3 Each amount payable in respect of a Taxable Supply is exclusive of GST and the Customer must, in addition to any amount owed under this Contract and at the same time and manner, pay the GST in respect of that supply upon receipt of a tax invoice.

5. Warranties

- 5.1 The relevant warranty provided by Britton Timbers for its Products and the conditions that apply to that warranty are set out in the Specifications.
- 5.2 The warranties and their conditions, as set out in the Specifications, are deemed to form part of these Standard Terms.

10. Risk and Title to the Products

- 10.1 Risk of damage to or loss or deterioration of any Products supplied by Britton Timbers will pass to the Customer upon possession at the Delivery Point.
- 10.2 Ownership and title to the Products will not pass to the Customer until all Products supplied by Britton Timbers to the Customer have been paid for in full in accordance with these Standard Terms or, if applicable, the General Credit Terms. Until then:

14. PPSA

- 14.1 This Contract creates a security interest in the Products for the purpose of the PPSA.
- 14.2 The Customer agrees upon request to do anything (such as obtaining consents, completing, signing and/or producing documents and supplying information) which Britton Timbers considered necessary for the purposes of:
 - (a) ensuring that the security interest is enforceable, perfected and otherwise effective;
 - (b) enabling Britton Timbers to apply for any registration or give any notification in connection with the security interest so that the security interest has the priority required by Britton Timbers; and
 - (c) enabling Britton Timbers to exercise rights in connection with the security interest.

- 14.3 To the extent that the law permits, Britton Timbers need not comply with any provision of Chapter 4 of the PPSA that may be contracted out of, and the Customer waives its rights to receive any notice that it required by the PPSA.
